Interior Designers: Congratulations! If you'd like to display this accomplishment with a plaque, please visit our official store at austinhomemag.com/plaques.

How This List Is Made

Using an online survey, *Austin Home* solicited peer and public nominations, asking voters to nominate up to three interior designers they've worked with or know to produce outstanding work. *Austin Home* then tallied the results, selecting the top percentage of vote recipients before submitting the final list to our fact-checking process.

Companies do not and cannot pay to be a part of the list. We recognize that many good interior designers are not included on the list; this is only a sampling of a huge array of talented professionals within the region. We encourage all consumers to do their own research before selecting an interior designer.

Austin Home uses best practices and exercises great care in assembling content for this list. It does not warrant that the data contained within the list are complete or accurate. *Austin Home* does not assume, and hereby disclaims, any liability to any person for any loss or damage caused by errors or omissions herein whether such errors or omissions result from negligence, accident, or any other cause.
